

10 Year Product Warranty Akatherm HDPE

Terms of warranty

Akatherm guarantees her HDPE drainage products for a period of 10 years as of delivery date against faulty products.

The liability is explicitly restricted to free of charge replacement of faulty products. The customer must inform Akatherm immediately in writing in case a defect occurs.

The above mentioned guarantee is bound to the following conditions:

1. The Akatherm HDPE drainage products must be installed according to the latest specification manual to be found at www.akatherm.com.
2. The storage, handling and maintenance of the products must be done according to Akatherm guidelines.
3. The integrity of a system consisting of Akatherm HDPE drainage products may be compromised if materials from uncertified manufacturers are installed as one system. Only products that are in conformity with EN1519 or ISO8770 can be joined with Akatherm HDPE drainage products.

Excluded from the above mentioned guarantee are all occasional damages and consequential losses that directly or indirectly result from sales, transport, handling, installation or application of the supplied products.

Installation costs for replacement or repair as a result of faulty products are excluded from above mentioned guarantee.
