## Certificates – Insurance – Test marks

SANIT has achieved the quality and environmental management systems DIN EN ISO 9001 and DIN EN ISO 14001.

SANITs products are automatically covered with a product liability insurance with Allianz and a liability assumption agreement with the German Central Association for Sanitary Ware, Heating and Aircondition.

SANITs products are subject to comprehensive tests according to national and international standards and they have test marks like DIN, KIWA, NF and others, ensuring the user / installer of an excellent quality product that exceeds the relevant test criteria.

Special products of concealed installations are TÜV-and sound insulation tested, in addition.
